**CONTACT US**

**Woman-Led Top Workplaces** offer environments where employees feel empowered, supported and connected to meaningful work. setting the standard for empathetic leadership, work-life harmony and happy employees

## 2025 Woman-Led Top Workplaces

Woman-Led Top Workplaces set the standard in their respective industries. Winners receive the designation based on employee surveys. The survey results become part of the industry's most comprehensive benchmark of employee attitudes and perspectives on corporate culture. These benchmarks include 25 core statements covering benefits, pay, work-life flexibility and questions about whether employees feel respected, supported and empowered.

The 2025 Woman-Led Top Workplace survey is conducted by Energage in partnership with Innovation Women and Lioness Magazine.

# ELEVATE

At Elevate, a nonprofit organization, we seek to create a just and equitable world in which everyone, no matter who they are or where they live, has **clean and affordable heat, cooling, power and water** in their homes and communities. Elevate designs and implements programs to:

- reduce costs
- protect people and the environment
- ensure that clean and efficient energy reaches those who need it most.

Our culture is built on **trust, transparency, and a shared mission.** We prioritize **equity, collaboration, and continuous learning** to ensure every voice is heard and every team member feels empowered and valued.

For Elevate, this award reflects years of intentional leadership, listening, and building a workplace rooted in purpose, collaboration, and a shared commitment to clean energy.
